Dear friends,
On behalf of the Khmelnytskyi City Council, all residents of the community, and on my own behalf, I express my great respect and gratitude to you and the people of your city for their help.

It is so important to unite against the enemy, to feel that we are not alone. There are no words to describe how important it is now to get support from true friends. 'In the dark, bright people are clearly visible.'

We want your people to never know such times. We are for world peace.
Thank you!

Sincerely,

Oleksandr Symchyshyn
Mayor
Khmelnytskyi, Ukraine
